

PRIVATE WEALTH LAW — SPAIN

Band 2

Avantia Asesoramiento Fiscal y Legal S.L.

From the HNW guide

This boutique firm advises domestic and international private clients on a range of wealth management and tax matters. Peers comment on their focus and reputation in the market, with one saying: *"They are a boutique focused on wealth management. They are very good and very focused on this type of advice. They are technically very good, have been very successful and are very well positioned in the market."*

The team handles succession and wealth structures, estate and probate matters and inheritance tax planning. A client comments: *"I really trust them, they work very well and are highly professional. It is a reliable firm. I feel really comfortable. They are really specialists in family matters and restructuring, and have very good relationships with clients. You feel like they are by your side. They are really professional and it is really practical and easy to work with them."* Another client says: *"They are very reliable, give very sound advice, and are very open to assist at any time. They are very professional and thorough, and very good on complex tax matters and family businesses."*

Notable practitioners

Head of wealth management [Javier Estella Lana](#) *"has been a private client adviser for many years,"* reports one of his peers, adding: *"He is very well-known. He is technically very good and pays attention to details and his clients love him."* Another highlights his position in the market, saying: *"He is focused on the wealth management sector and is one of the main players. He has very good clients and is completely focused in this area."*

[Patricia García Mediero](#) advises individuals and family businesses on domestic and cross-border tax and private wealth matters. One market insider reports on a *"good experience working with her"* and praises her technical skills, particularly on international matters and negotiations.

Firm Overview:

Avantia Asesoramiento Fiscal y Legal is one of the leading independent Spanish firms in the provision of tax and legal services to national and international private wealth clients. Its management team has over 27 years of professional experience gathered in PricewaterhouseCoopers in the UK and Spain, initiating the Spanish private client practice, and Ernst & Young Abogados, with Javier Estella Lana as partner-in-charge of the Spanish high net worth private client practice and Patricia García Mediero as partner-in-charge of the provision of international private wealth services.

Its professionals have outstanding academic qualifications in Spain and abroad in the fields of taxation, legal counsel and business management (Instituto de Empresa, IESE PDG, UK Institute of Taxation, Harvard Law School), as well as extensive experience as regular speakers at leading national and international private wealth events (STEP, IIR, International Wealth Advisors Forum, ABA), are professors at prominent Spanish academic institutions and universities (Instituto de Empresa), judges and members of the panel of experts to the STEP awards, have acted as independent experts on succession matters at the Committee of Legal Affairs of the European Parliament - JURI and are regular contributors to specialist publications both in Spain and abroad.

Avantia Asesoramiento Fiscal y Legal is widely reputed for its consistent quality and expertise and has been ranked as leader in its field by the most prestigious independent publications and bodies, including *Chambers Europe*, *Legal Media Group – Euromoney*, *Citywealth Magazine*, *Who's Who Legal*. It has been shortlisted by the Society of Trusts and Estate Practitioners (STEP) for its International Legal Team of the Year Award, and has won the 2015 Boutique Firm of the Year STEP award.

Domestic Tax & Legal Services, Private Wealth:

The firm provides tax and legal advisory and compliance services to its private wealth clients at all wealth tiers, including succession and will planning, tax audits and investigations, court appeals, as well as those relating to the submission and obtention of Spanish tax rulings and voluntary disclosure processes.
